 Dudley, Wolverhampton and Walsall
 Virtual Schools**

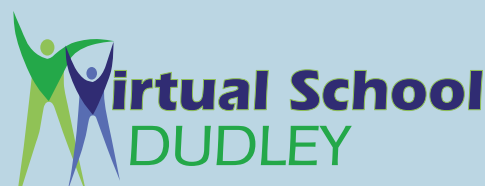

Ready to be the next podcast superstar?

Join our Podcast Workshop for 11-18 year olds and learn how to create your own show from scratch!

From coming up with killer ideas and writing scripts, to recording, editing, and sharing your voice with the world - we'll give you all the tools to tell your story your way. Whether you're into music, gaming, sports, or just love to chat, this fun, hands-on workshop is your chance to step behind the mic and be heard. No experience needed - just bring your energy, creativity, and ideas!
