Do you have a winter coat you can donate?

If you have any coats (or scarves, gloves, hats or other warm clothing) for children or adults, please drop them off at any Sandwell library.

Thank you

As temperatures dip this winter, life gets harder for people living on the streets and for those living below the poverty line who are pushed into the position of choosing whether to heat or eat – that's where a coat donation can help. The cost of living crisis means more people are living in poverty, while rising energy bills may make it harder than ever to keep warm this winter.

While there are many ways you can help, perhaps the simplest is donating a winter coat. If you have a big coat just taking up space in the back of your wardrobe, stuffed in a cupboard or under the bed, it could make a life-saving difference to someone in need.

What types of coats are being collected?

Warm winter coats for all ages groups including for babies, children and adult sizes. We are also collecting fleeces, waterproofs, baby cot sleeping bags, snow suits for babies and young children, pram footmuffs and hats, scarves and gloves. We ask that all items are clean, in good condition and with a functioning zip (if there is one).

Do you accept hats, scarves and gloves?

Yes. They must be clean and in good condition and the gloves should be folded into pairs.

Drop any good quality, second hand winter coats - as well as other warm winter clothing - into any Sandwell library.
