PERFORMING PERFECTLY

BRINGING OUR WORLD OF THEATRE TO YOUR BUSINESS

Ever Wondered What It's Really Like To Be On TV?

Tuesday 30th June

4.30pm - 5.00pm

Online - join from anywhere

We're bringing in a real, working actress - straight from filming one of the biggest shows on British TV - to answer YOUR questions live.

Come and ask someone who knows!

100 places available - First come, first served basis!

Jessie Hart grew up in the Black Country and went on to perform in the West End, tour the country and appear on your TV screen. This month she's been on set filming **Peaky Blinders**...and she's coming to tell you all about it.

You could have seen her in **Les Misérables in the West End**, where she played the iconic role of Éponine over a hundred times. Or in **Dirty Dancing on tour**, where she played the lead role of Baby. She's also appeared on **BBC One** and **ITV**, performed with the **Royal Philharmonic Orchestra**, and worked with **Gary Barlow** on a brand new musical. Oh, and she's filmed commercials for Amazon too!!

Ask her anything:

- What is it actually like filming **Peaky Blinders**?
- How do you become an actor?
- Where do you train and how much does it cost?
- How do you remember all those lines?
- What do you do when you're terrified?
- What goes on behind the scenes that nobody sees?

This is a real conversation with a real person who made it happen!
